

Southeast Region Staff

Tom Kirschner - Orlando

In September 2022, Tom was named Executive Director - Agricultural Investments with Prudential Ag Investments, as well as with Capital Agricultural Property Services (CAPS), a wholly owned subsidiary of Prudential.

He came to Prudential from Cooperative Producers, Inc.. where for 21 years he was Vice-President of Grove Operations. Prior to Cooperative Producers, Inc., he worked for Evans Properties Inc., serving as Production Supervisor for 6 years.

His present responsibilities include oversight of the equity real estate and property management for CAPS for the Southeast Region.

Mobile: 239-380-5870

Tom is a graduate of the Florida Southern College with a Bachelor of Science degree in Citrus Business.

Tom has served on the Board of Directors for Gulf Citrus Growers Association the past 11 years, is a past member and served as President (1 year) and Vice president (3 years) of the Florida Citrus Production Managers Association. He is also a past member of the Florida Citrus Coordinating Council for CRDF (Citrus Research and Development Foundation), and a past member of the Florida Farm Bureau.

Southeast Region Staff

Daniel Bott, MBA, CPAg, CCA - Orlando

Licensed in Florida

Dan joined PGIM Agricultural Investments in 2019, as Farm Manager for the Eastern Region for Capital Agricultural Property Services (CAPS). He is located in the Orlando, Florida office. His 15 years of farm operations management experience includes annual budgeting for crop production programs, and capital planting projects in tree crops.

Before joining CAPS, he was Division Manager for Premier Citrus Management, in Ft. Pierce, Florida, for 8 years. Prior to that, he was employed by Agrium, selling crop protection products, seed and fertilizer in the citrus, sod, golf, nursery, and landscape markets in Florida.

A native of Vero Beach, Florida, Dan holds a Bachelor of Science degree in Horticulture Science and a Master of Business Administration degree, both from Florida Southern College. He is a graduate of the Florida Fruit and Vegetable Association's Emerging Leader Program (Class 4). In 2018, he was also conferred with the Certified Crop Advisor (CCA) and Certified Professional Agronomist (CPAg) designations by the American Society of Agronomy. He currently serves as a board member for Indian River County Farm Bureau.
